## Pointer and Weimaraner Rescue

### Adoption Application

Please answer each question as completely as possible and e-mail the application back to one of our coordinators. Detailed answers will help us to make the best match possible. Completion of this application does not guarantee anything other than that you will be considered for adoption of one of our dogs. All information provided will be kept solely within Midwest PAWs.

All of our dogs have been checked by a vet, spayed or neutered, and are UTD on all shots. Our adoption fees start at \$150 for older dogs and increase up to \$300 for puppies. Every penny of the adoption fee goes back into our rescue program to offset medical expenses. The adoption fees charged for younger, more desirable dogs help continue the work we do with older, ill, or injured dogs.
